

## **My Library Story-Canton Branch**

**I am Willie Williams, a retired teacher from Canton Public Schools. I visit the Canton Library a lot for local, state and national news. I also enjoy checking out movie videos. The staff is very friendly and helpful.**

**I had the pleasure of teaching one of Mrs Greenwood's children. She and her staff are always very warm and gracious to me.**

**So that's why the Canton Library is a special place of learning and relaxing... "My home away from home".**
